

# Shiroyama National School

- Nagasaki -

In front of the crumbled remains of the South Wing of Shiroyama National School (present day Shiroyama Elementary School) is a US soldier standing where a cremation took place. In the back right gas tanks from the Saibu Gas Ohashi Plant (near present day Prefectural Ohashi Apartments) and the Mitsubishi Nagasaki Armory Factory Ohashi Plant can be seen (Present-day Nagasaki University Bunkyo Campus).

Distance from Hypocenter: 500m
